Robert Parker

2005 Luigi Bosca Icono

"The flagship wine and the star of an impressive portfolio is the 2005 Icono, a blend of 54% Malbec and 46% Cab Sauvignon. On the palate, this opulent, succulent effort combines power and elegance while hiding enough tannin to support a decade of evolution in the cellar. Its pure finish lingers for over a minute. Drink this exceptional effort from 2015 to 2035 although its impeccable balance may extend this drinking window even further. Luigi Bosca is one of Argentina's quality leader"

- Jay Miller Wine Advocate #180
