Robert Parker

2006 Luigi Bosca Malbec DOC

"The 2006 Malbec Single Vineyard spent 14 months in French oak. It is purple-colored with an expressive bouquet of black cherry, mineral, and spice box. On the palate it is both mouth-coating and elegant with plenty of sweet fruit, excellent depth, and a long, pure finish. Luigi Bosca is one of Argentina's quality leaders."

- Jay Miller Wine Advocate #180
