

## **LOUIS DE SACY ROSÉ GRAND CRU HAND-CRAFTED CHAMPAGNE**

*This wine is very rare: a rosé "saigné" made from skin-contact to get the color and flavor from 90% Pinot Noir and 10% Pinot Meunier. Normally, only the most expensive Champagnes go to this trouble for their rosés. Aromas of wild strawberry-raspberry lead to fresh red fruit flavors and a lush, balanced finish. Wow! **A LUSH AND ELEGANT ROSÉ***
